Subject: *Enhancement of Tuition fees of MD/MS courses.*

Sir,

With due respect I want to inform you that the fees structure for MD/MS courses in the private Medical colleges of state of Punjab is very low in comparison to that of the other medical colleges in other states. Comparative statement of the fees structure of the other states is as detailed below:

Courses	Fee In Punjab		Fees in Haryana		Fees In Manipal		Fees in DY Patil Kohlapur
	Management Seat	NRI seat in USD	Management Seat	NRI seat in USD	Management Seat	NRI seat in USD	Management Seat
Clinical MD/MS	299000.00	55000	635000.00	130000	672166.00	91800	695000.00
Radio Diagnosis	299000.00	55000	775000.00	180000	823500.00	114400	840000.00
Basic MD/MS	201250.00	20000	430000.00	40000	453166.00	39200	435000.00

Further, it is to bring to your kind notice that as per the Central Govt./ MCI notification the institute is bound to pay heavy amount (i.e. **Approx. 4 lac. Per student per year**) in the form of **stipend** equal to that of state Govt. whereas the present **tuition fees** is only **Rs. 3 lacs per student per year**.

Handwritten notes and signatures in blue ink, including 'ਸਿਰਤ-3 ਸਮੂਹ' and 'ਡਾਇਰੀ ਨੰ: 972/10'.

It is to further clarify that with the present fee structure it is becoming impossible for the private unaided medical colleges to meet the expenses for imparting high standard of teaching and training to produce good quality of specialist Doctors.

To engage highly qualified staff for better training of the specialist Doctors, the medical colleges are compelled to employ the experienced Doctors on payment of salary equivalent to sixth pay commission. These expenses could be met only from the Tuition fees of these MD/MS students.

It is further to highlight that **average expenditure** on teaching & training of **each MD/MS student** comes out to be **Rs. 12 lacs per year.**

Therefore you are requested for hike in MD/MS fee as per detail given below:

Category	Current fees (Per Year)	Requested hike in fee structure (Per Year)	Current NRI Fee for full course	Hike in NRI Fee for full course
MD/MS (Pead. Ortho, Radio, Gynae)	Rs. 2,99,000.00	Rs.8,00,000.00	US \$ 55000	US \$ 125000

You are requested to kindly consider the matter favorably on priority basis.
